It would just be myself and Alice, and Dave of course, Alice is on vacation this week, so I can't be sure of her availability till next week. Alternatively, we could set it up for the 18th and I could do it myself if she can't make it.

Hi Dave and Ray

The Mayor of Kearny and his staff would like a briefing on the Passaic River clean-up. He has provided the following dates for availability:

Mayor Santos asked me to forward a few available dates for the meeting with EPA reps on the Passaic River clean-up plan. April 15th, 17th or 18th in the morning are all open on the Mayor's calendar. 10:30 am is usually a good time to start.

Please let me know if you would like to confirm with his staff directly or I am happy to help facilitate setting up this meeting. Debbie
